Performance note

From December 2018, the performance data shown is based upon the Fund's official Net Asset Value (NAV) prices. The performance data shown is net of fees and other charges but excludes any potential entry/exit charges- as such the return an investor receives may be lower. Prior to 31st December 2018, the data performance calculations reflect the month-end market close prices of the Fund's assets. After 1 January 2019, the performance data shown is based upon the Fund's Net Asset Value (NAV) prices of the last Irish business day of the month. For Funds not open for dealing on this day this will be an indicative NAV. As a result, it is possible that the stated performance and the actual investment returns available to investors will differ. The performance information reflects performance of the A Class accumulation units. Periods over one year are annualised. Investors should obtain their own independent tax advice. **Outperforming the MSCI AC World Small Cap NTR Index is not specifically included in the objective for the Fund, and the figures shown in the table are provided as a comparison only.
